# Scouts go on parade for St. George's Day

by Andy Parr

On Sunday 21st April, 414 Scouts and Leaders from 12 Scout Groups in Caterham Valley from Beechwood Road to the United Reformed Church in Harestone Valley Road for the annual St. George's Day Parade. As they passed the Soper Hall, Chairman of Tandridge District Council, Cllr. Sakina Bradbury, took the salute. The parade was led by members of the Warmingham B.P. Scout Guild band.

During the service, the Reverend Stephanie Nadarajah from St Mary's Church gave a very entertaining address about St. George. Music was provided by the Free Spirit Music Group from local Caterham Churches and a collection raised £320 for the Surrey Air Ambulance. David Dobson was presented with the Medal of Merit for Scouting in recognition of his determination in starting a new Scout Group that has now been

running almost ten years and where numbers are rising. In honour of George's Day on Tuesday 23rd April local Cubs, Scouts and Beavers wore their uniform to school.

The parade marches through The Square in Caterham Valley.

## Photograph Hidden Treasures and Local Eyesores and win £100!

The CR3 Forum would like to identify what residents love and hate in Caterham-on-the-Hill, Caterham Valley, Chaldon and Whyteleafe in order to help create a plan to shape the future development in the area.

Chris Windridge of the CR3 Forum said: "We want to give every resident a chance to get involved by identifying hidden treasures in the area: places that matter to them, but that may be in danger of being overlooked or lost in the mists of time. We'd also like to know about the other side of the coin: local eyesores which have a negative effect on their surroundings. "The entrants themselves can decide what to photograph - it could be a building of interest, a woodland

area, an interesting view - anything that gives our local area an identity that they would like to see preserved - or alternatively something that detracts from the desired image of the area. The only restriction is that it must be in the Caterham, Chaldon or Whyteleafe area."

£100 will be awarded to the best picture received, as judged by the CR3 Forum Urban & Rural Design and Heritage working group. Send a high quality (around 1mb) digital colour photo in jpeg format, including your

name, contact details, and a brief description of where the photo was taken to cr3forum@yahoo.com by Monday 20th May 2013. Entries submitted after this date will not be included. The successful entrant will be informed by the end of May 2013.

Chris said: "Creating the CR3 Forum Neighbourhood Plan is a wonderful opportunity for local people to have a say in how our area should look over the next 20 years, so let's not lose the opportunity!" There is still time to complete the CR3 Forum Survey to express your views about the area and provide ideas and issues to be considered. The link for the survey is via [www.cr3forum.org.uk](http://www.cr3forum.org.uk) together with news and to register to be involved in different projects.

## Residents' 'Green Corridors' project provides new trees for local avenues

On Saturday 13th April five new trees were planted in Manor Avenue and Park Avenue in Caterham-on-the-Hill as a result of a local fundraising project called 'Green Corridors' to replace old and dead trees in the roads.

After nearly a year of dialogue with Surrey County Council the cost quoted by the council proved to be too expensive so the residents clubbed together to purchase the trees themselves making a significant saving. Manor Avenue resident, Mary Mountain, said: "The trees are costing us £90 each to plant which is signif-

icantly less than the £295 quoted by Surrey County Council. Caterham-on-the-Hill Parish Council have helped us by covering the indemnity insurance."

The first tree to be planted was a Rowan outside the home of Monica Harwood in Manor Avenue.

Monica said: "Years ago there used to be a gorgeous cherry tree here but that came down during a storm so I am delighted to have a new tree outside my house at last!" The residents hope to get some funding so they can continue their 'Green Corridors' project with more new trees.

## Revised planning application submitted for proposed Lidl store

A second planning application has been made by Lidl to Croydon Planning Department to build a 1,000 sq ft store on the site of the former Good Companions pub at Hamsey Green. Local residents are concerned that whilst changes have been made to the building design, a number of concerns have not been addressed, such as the increased traffic volume a supermarket would bring and the road safety issues relating to the thousands of children that attend Hamsey Green Primary and Warlingham Secondary Schools. Residents are also concerned about the impact a new supermarket would have on the local stores and post office. Warlingham resident, Paul Redington who lives in Crewes Lane said: "We simply do not need another supermarket, nor the traffic congestion it will bring. Croydon Council needs to listen to its taxpayers, and to neighbouring Surrey residents who will be adversely affected by this unnecessary development".

The site of the proposed Lidl store.

Campaigners are urging local residents to express their views to Croydon Council before the deadline of Tuesday 30th April. The plans and other associated documents can be viewed at [www.croydon.gov.uk](http://www.croydon.gov.uk) quoting Planning Application No. 13/00957/P. Alternatively comments can be sent in writing to Development Management, Croydon Council, 17th Floor Taberner House, Park Lane, Croydon CR9 1JT.

## Zaine is ready to take on the 'Tough Mudder' challenge!

by Charlotte Jacobs.

A year and a half ago, 29 year-old local bus driver, Zaine Johnston, weighed 20 stone. He has since improved his fitness and changed his diet to lose four stone. Zaine's new interest in sport has prompted him to participate in the challenging fundraising event, 'Tough Mudder,' on Saturday 8th June in Hampshire to raise funds for the charity 'Make a Wish Foundation UK'.

Tough Mudder is a 12 mile long course with 25 military style obstacles designed by the Special Forces. Obstacles range from running through four foot flames to a 15 foot high jump into freezing water. The course is designed to be a challenge and not a race. Some of the Tough Mudder pledges are to 'overcome all fears,' and to 'put teamwork and camaraderie before my course time'.

Zaine was raised in the Caterham area and has recently settled down in Woldingham with his wife

Zaine Johnston two years ago (left) and Zaine training for Tough Mudder recently.

and daughter. He used to attend de Stafford School in Burntwood Lane, Caterham and is now training for the course at de Stafford Sports centre.

Zaine said: "I was the boy at school who wouldn't take part in sports. I have totally changed my life!"

## Pat goes 'half and half' for charity

Caterham businessman, Pat Patel, is sporting an interesting new look this spring and he has done it all for a good cause!

At a special charity event at The King and Queen pub in Caterham-on-the-Hill, Pat had half his head and half his beard shaved off by barber Marcos Panayi to help raise funds for Macmillan Cancer Support.

Pat, who owns Motormax in the High Street, was keen to support the charity by doing 'something a bit different' even if he does get some strange looks from his customers. The public shaving was all part of the day's entertainment along with live music, a bouncy castle and hog roast.

Pat reveals his new look!

## Let's celebrate Hamsey Green Children's Centre's fifth birthday!

by Jackie Bolton, Centre Manager.  
It is hard to believe that we have been open five years at Hamsey Green Children's Centre! We started life in a small hut with just one member of staff providing one weekly Stay and Play session and now we operate from a purpose built building with an outside play area and have three members of staff working together to provide a variety of services for families with children up to five.

Receptionist Lea welcomes everyone into our Centre with a smile and is here to provide information and advice. Caroline leads the sessions with lots of enthusiasm and also visits families who need a little extra support at home. As manager I bring everything together to provide a variety of services where families can enjoy, achieve and have fun. Together we provide:

Our New Parents Group, which is friendly, informal and a great way for new parents to make friends in a relaxed environment. The Health Team come along to provide an 'Introducing Family Foods' session every six weeks. Come along for tips and information and find out how to enjoy family foods together. At Stay and Play we have lots of fun whilst learning together, enjoying interactive and sometimes messy activities led by Caroline.

At the Well Baby Clinic, the Health

Tots having fun at Hamsey Green Children's Centre.

Team assisted by Caroline are on hand to help you weigh your baby and offer information and advice. Tatty Bumpkin is an interactive, story telling session lead by Caroline. Baby Bumpkin is a special time for you and your baby. Enjoy a variety of sensory activities lead by Caroline in a relaxing baby-friendly environment.

If you have not been along to the Children's Centre you are invited to join us in celebrating our fifth birthday with a party for the under fives and their grown-ups on Thursday 30th May from 10am-1pm. There will be craft activities, birthday cakes to decorate, a 'High 5' obstacle course, a '1, 2, 3, 4, 5' rock pool, themed 'five' nursery rhymes, musical activities, a picnic lunch, birthday cake and much more. Please call to book your place on 01883 625255.

## Diary of a Plantaholic

by Sue Baines

Help, I've run out of space! Such a stop-start season has meant that I have not moved on the more hardy plants and mostly have kept the greenhouse doors closed. This has resulted in drawn, very soft growth, with greenfly taking full advantage. I have had to use a bug gun on several occasions. Erratic weather can be quite damaging - a sudden heatwave after a very cold spell means nothing has acclimatised. It is the same for us I guess, although I am not complaining, even if the plants do!

During inclement weather I try to organise as much as possible. Trips to the garden centre to stock up on everything I need in the coming season always saves lots of time, and often I get a bargain too. The ponds have been cleaned before the 50 (last year) courting couples deposit their frogspawn. They seem late this year too. They obviously don't like the cold, but hopefully the wet sum-

Sue Baines.

mer should have suited them.

Tidying up has continued and we have made a start on the evergreen hedges and topiary. It is surprising just how much they have grown with such copious amounts of rain, compared to other years.

One of the warmer days saw Geoff checking the soak hoses which we installed for last year and then could not use. They are still very visible, but within two months they will have disappeared completely. We needed four new connectors which isn't too bad. Last year the foxes were fascinated with them, and included them in their diet, as part of their five a day!

## Donation helps fund the running of minibus for the elderly

The Chairman of the Tandridge Community Fund, Mike Moss MBE, was delighted to make the latest donation from the Fund recently when he presented a cheque for £400 to Mrs Ann Koelz, the Chairman of the Oxted, Limsfield & District branch of Age UK. On receiving the cheque, Ann said: "Thank you very much for this donation which will go towards the running of our minibus taking the elderly shopping and to socialise at the lunch clubs. As we rely on donations to run the minibus this is most welcome." Mike said that he was delighted that the Fund was able to help Age UK which, in its turn, was helping elderly people within the area. Mike explained that it was a fund 'in perpetuity' so the capital would never be touched - it was the interest earned that went to char-

itable groups within the district of Tandridge. Donations to the Fund were helping to build it, thus earning more interest and helping more groups. When asked if the Fund was run by Tandridge District Council Mike said: "No. It is entirely independent, though the Fund was grateful when Councillor Brian Perkins raised some capital for it when he was Chairman of the council." Anyone wishing to donate to the Fund should contact Mike on 01883 713322.

## Shiatsu at Caterham Osteopaths

by Teresa Nightingale

Shiatsu is an ancient holistic and complete medical system which has evolved over 3000 years in Japan and China. The actual treatment approach and philosophy is similar to acupuncture combining the same principles and theories. Shiatsu is often described as Japanese Physiotherapy. The experience is also deeply relaxing. 'Shi' means finger and 'atsu' means pressure.

The treatment involves the use of pressure points (as used in acupuncture), using thumbs, fingers, palms and elbows to recognise a state of imbalance in the body, where there is an excess and where the energy is deficient. These meridians carry vital energy to all organs in the body. For many reasons these meridians become blocked, causing the energy to stop flowing freely, this then produces a symptom. Shiatsu unblocks the meridians to re-balance and re-harmonise the body's

energy to its original, natural state of well-being. Shiatsu is actively used to help relieve many common conditions including chronic back/neck pain, neck stiffness/whiplash injuries, muscular problems, postural disorders, joint pain and arthritis, headaches and migraines, sports injuries, asthma symptoms, stress/depression/emotional issues, digestive problems, menstrual/premenstrual/menopausal problems and circulatory problems.

Unlike most other forms of bodywork, in Shiatsu the receiver remains fully clothed for the treatment and no oil is used. If you have an ongoing complaint this could be the safe alternative you have been looking for.

Teresa Nightingale is a Shiatsu Practitioner she trained at the Sussex School of Shiatsu. She will be available for treatments on Tuesday mornings at Caterham Osteopath Clinic, 20 Westway, Caterham-on-the-Hill. Tel 01883 331006. Mobile no. 07890 114491.

## Wapses Lodge Roundabout

A local history article by Ruth Sear

This wonderful structure on the border of Caterham and Whyteleafe on the A22 opened on May 1st 1939 with no formal opening ceremony. Known as 'Britain's first elevated traffic island' the roads that converge on it are the same level. Surrounded by a concrete 'crash barrier' wall, ramparts mark entrances to pedestrian subways which lead to a hollow central space within the middle. The concrete inner wall has foundations six feet thick.

Six roads lead from the roundabout which has not undergone any significant change since its construction. The A22 by-pass, built at the same time as the roundabout, opened on April 7th 1939.

In September 1939 local residents were concerned that the roundabout and by-pass would be visible to the German air force as a guiding landmark. After the RAF expressed concern

the War Office ordered camouflage which included trees from Ashdown Forest. During the war the subways under the roundabout became air raid shelters for the public. Why the name Wapses Lodge? A building of that name, between Godstone Road and Succombs Hill, was a lodge for a private driveway (now

Woldingham Road) that led to Marden Park. In the 1841 Census the occupier of 'Waps's Lodge' was an ostler who was employed locally. The most probable explanation of the word 'wapses' is a derivation of the old English word 'wop' meaning tearful or weeping. Water once welled from the ground near Wapses Lodge and joined the nearby Bourne, and the area was subject to flooding over the centuries.

## Medieval fun in Church Walk Shopping Centre

On Saturday 20th April Church Walk Shopping Centre, Caterham celebrated St. George's Day in beautiful sunshine. Shelley Filippi, Church Walk Centre Manager, said: "Holding the event on a Saturday enabled children, who would otherwise be at school, to

enjoy the celebrations". Children had the opportunity to meet St. George in his full suit of armour on his trusty steed with members of the Far Isles Medieval Society to learn about English history. Sir Laugh-a-lot provided music throughout the day and Sonia Hunt, Caterham's Town Crier, heralded the events. The proceeds raised from the balloon modelling and face painting went to the Ambulance Service Benevolent Fund.

## Cloudy2Clear Windows - Service with a Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes - not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Chris Lucas feels that it's all about service.

Chris says: "Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new five year guarantee."

"But it's not just about saving people money, although that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job

the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole."

Cloudy2Clear service the Surrey, West Kent and South London areas and Chris is finding that his approach is a major factor in his success.

He says: "The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I have done work for, which just goes to show how much a little bit of effort is appreciated."

So, if your windows are steamed up, broken or damaged give Chris a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

## Eating Out

### Try authentic Italian cuisine at 'I Sapori di Sorrento'

Review by Julia Church

When my cousin David came down for a visit from his home in Edinburgh recently, I whisked him down to Croydon Road in Caterham Valley to experience 'I Sapori di Sorrento', which translates as 'The flavour of Sorrento'. David loves Italy, and as we soaked up the atmosphere of this lovely new restaurant, David felt like he had travelled a lot further south than Surrey!

Romeo and Marina Lanzetta and their son Nino have opened the restaurant to bring authentic Italian cuisine to Caterham. They have years of experience of preparing food for Italian diners back home in Sorrento and decided to introduce their style of cooking to English diners and fortunately for us, came to Caterham!

As we browsed the menu,

Romeo recommended the house red wine to have with our meal - a deep red Sicilian wine called 'Nero D'Avola'.

On tasting the wine, David said: "I like a fairly dry, heavy-bodied wine and that has hit the spot!"

There was a good selection of starters and David chose 'Calamari fritti' (squid fried in batter) while I chose the 'Prawns Alla Diavola' (prawns in a garlic, chilli, wine and tomato sauce).

David said his Calamari was lovely and not at all chewy and my prawns were wonderful. The sauce was superb and came with crusty bread to soak it up with. The chilli gave the sauce a slight kick but it was by no means too hot.

For our main courses, I tried a 'special' recommended by Romeo, Spaghetti with Mussels (£8.50) and David chose one of the veal dishes, 'Veal Valdostana' (veal topped with ham and mozzarella cheese served in a wine and tomato sauce) (£10.95) with a side order of vegetables (£3).

The mussels came shell-on with the spaghetti so it looked amazing as well as tasting very good and David said his veal was delicious, as well as nice and filling. We finished with coffees,

served by Romeo, who had been the perfect host all evening.

*I Sapori di Sorrento is open daily including Sundays from 12pm.*
