School saves Old Park Woods for Caterham

On Friday 3rd January Caterham School completed the purchase of Old Park Woods and Gavelly Hill Woods, saving them from the threat of potential decimation by timber foresters. The woods adjoin the school's boundary, taking the overall size of the school campus to over 200 acres. Headmaster Julian Thomas said: "This is a truly significant moment in the school's 202 year history. As a local resident, I am extremely pleased that we will be able to secure and preserve this

beautiful woodland for the future. We have already entered into discussions with the Forestry Commission about how best to take care of the woodland and make the best use of it. We are very privileged to have had this opportunity to secure the woodlands - it was a once in a lifetime, or even many lifetimes, opportunity!" The school already has a high ropes course, climbing tower and outdoor classroom in the school grounds. The acquisition of the woods

will allow the school to further develop their programme of outdoor activities that include orienteering, bushcraft and camping. Mr Thomas said: "We are passionate about the importance of highlighting to the children all the joys of being outside. The woodland will form part of our 'outdoors' project." When the woods were put up for sale last summer the War Coppice Residents' Group launched a campaign to save the woods for the community. The site is a local beauty spot popular with walkers, although technically they have been trespassing on private land. **Continued on page 2.**

School saves Old Park Woods for Caterham

Continued from page 1

Chairman of the War Cop-pice Residents' Group, Tom Bennington, said: "I think this is great news for the school and great news for the community. We are very pleased the school have the woods rather than a timber foresting company and I hope the school will keep the woods forever and maintain their character."

Mr Thomas said: "The school intends to allow public access assuming that there are no legal impediments to doing so and we will be able to give definitive guidance on this very soon."

"Our discussions with the Forestry Commission about public access are in the early stages but are looking very positive. With their help we will learn the best way to manage the woods, keep them beautiful and ensure they are safe. I want people to know we have their concerns very much in mind."

Caterham Co-op targeted by masked raiders

An investigation is underway following an armed raid at the Co-operative store in Caterham Valley on the morning of Friday 24th January. At around 6.30am three masked raiders forced members of staff to open the safe before making off with the contents. The offenders were all dressed in dark clothing, wore balaclavas and were carrying weapons, believed to be hammers. No-one was hurt in the incident. Investigating officer Detective

Sergeant Simon Gray said: "This was a terrifying incident for those involved and we are doing all we can to find those responsible as quickly as possible. Therefore I would urge anyone with information to contact us as a matter of urgency. "Offenders who commit crimes like these quite often visit the area beforehand, so I would ask anyone who has seen anything suspicious to share this information with the police." If you have information on this offence please contact Surrey Police on 101 quoting reference P14022354 or contact Crimestoppers anonymously on 0800 555 111.

Chaldon Village Hall hosts special celebratory tea party

On Saturday 25th January a celebration tea party was held at Chaldon Village Hall to mark the retirement of John Rawling who has been Chair of the Trustees of the Village Hall for 28 years and to thank the people of Chaldon who have contributed to the Village Hall Building Fund.

John was presented with a framed photograph of the Hall and a calendar depicting

the history of the Hall by Liz Bonsall the current Chair of the Hall Trustees who also gave a brief history of the contribution John had made during his years as a Trustee. John's wife Ros was also presented with flowers and thanked for her work in the village.

The Building Fund has now reached the grand total of £74,000 thanks to the generosity of the people of Chaldon, Surrey County, Tandridge District and Chaldon Village Councils as well as donations from individuals and groups. Work on new toilets and entrance area will start soon.

Diary of a Plantaholic

by Sue Baines

Getting out and clearing up all the soggy debris was quite a novelty after so much rain. A lot of the leaves had been blown into corners, and so even a little tidying had a big impact.

It's time to take stock of any damage that may have been done. Do look at any big trees in the vicinity. Are there branches hanging? Could a bit of work done now save a tree? Save a life? The last storms were really damaging, and our chainsaw which Geoff had serviced before the first storm, saw a fair bit of action.

The autumn planted bulbs are starting to show through. Popping the containers on feet/bricks, has kept them well-drained (crucial this year).

The spring bulb range is starting to appear in garden centres and shops now. I still have a few empty pots, and am determined to have colour in a visible spot from now on. I love the mini daffs, scented hyacinths,

Sue Baines

snowdrops, aconites, Iris reticulata and anemone blanda, to name just a few. I plan to 'impulse buy' little pots of bulbs, planting them into the same big pot. As they finish I will take them out and plant them round the house, replacing them with the next spring bulbs that are just about to flower. I will keep a few of my favourite evergreen plants such as Carex Evergold (variegated evergreen grass), Skimmia Magic Marlot (new variegated form) and the black grass Ophiopogon, which sets off the blooms beautifully. Hopefully whatever weather is in store, there will always be a promise of spring.

All abilities invited to 'Welcome to the Drawing Room'

Welcome to the Drawing Room opened its doors in 2012 with the aim of inspiring and encouraging local adults to join together for some creative fun. Now in its second year, Welcome to the Drawing Room has recently added an extra class, 'Just Drawing' to the existing watercolour classes. This class is aimed at the complete beginner and those wishing to improve their confidence or experiment with a wider range of media.

Tracey Bengeyfield started Welcome to the Drawing Room with the aim of providing relaxed, fun and accessible art classes for all. Her background in Graphics and Media was put to good use during her 14 years of teaching secondary and sixth form students. Tracey left mainstream education to pursue her ambition of starting her own art classes.

She says: "I believe that with support you can really improve, even if you find drawing and painting a challenge. All you need is to approach it with joy and enthusiasm".

The informal and cosy surroundings of Woldingham Village Hall allows students to enjoy their lessons alongside complimentary cups of tea, coffee and a sweet treat for an overall unique experience. Whether you are a complete beginner or a more experienced artist, Welcome to the Drawing Room offers you the opportunity to indulge in a little 'me' time and draw for pleasure.

Tracey says: "I really look forward to seeing my students each week. Some of them are now entering their second year of classes with me and it has been a real pleasure to get to know each of them. It is so lovely

A Welcome to the Drawing Room class at Woldingham Village Hall.

to see their skill and confidence growing."

Welcome to the Drawing Room is open to students on Wednesday and Thursday mornings for watercolour classes. These run from 10am until noon. 'Just Drawing' runs on Thursday afternoons from 12.45-2.45pm. Bookings are for a minimum of a half term (usually six weeks) or a full term (12 weeks) and students that sign up for a full term enjoy two weeks free.

Essential Flooring - now open for business in Caterham

A successful carpet and flooring business that has been trading in Westerham for the last seven years has now opened a shop at 48 Westway, Caterham-on-the-Hill, replacing the old Carpet Cave.

Mark Hodges, owner of Essential Flooring, felt the time was right to expand, having already built up an excellent reputation and client base in Westerham and the surrounding areas. He believes that the success of the business is mainly down to trust.

Mark said: "Trust is important. If we were to do a bad job customers would not come back. We have built a successful business on reputation and recommendations. I want the people of Caterham to know that we are an established business, not fly-by-nights!" Another secret of the business's success is the quality of the carpet fitting and floor laying. Mark uses the best fitters that he has personally hand picked and tested over the last seven years and can guarantee a good installation.

"The fitters I use are very experienced," said Mark. "They do not do a rush job. When I started I thought the good fitters were the quick ones but nowadays I realise the good fitters do not rush."

Mark also pointed out that they offer a supply-only option for customers who already have their own fitters. Essential Flooring supplies carpets to residential and commercial proper-

ties including local doctors' surgeries and schools. In addition to carpet they can supply wood flooring, luxury vinyl tiles and resin flooring. Whether the customer requires a budget carpet for a spare bedroom or a bespoke hand crafted wooden floor, Essential Flooring covers everything. They are currently offering introductory rates to all new customers and previous customers of Carpet Cave.

St. Francis' School celebrates the opening and blessing of new classroom block

On Wednesday 15th January St. Francis' Catholic Primary School in Caterham celebrated as their new classroom block was officially opened by Arundel and Brighton Diocesan Director of Catholic Schools Service, Mrs Mary Reynolds and blessed by Bishop Kieran Conry, Bishop of Arundel and Brighton diocese.

The new development was completed in August 2013 in time for the new academic year in September. The new classrooms will benefit children now and in the future. They are currently occupied by junior children.

The project would not have been possible without the support of

the Diocese and Surrey County Council.

The school wishes to express its appreciation to all those who contributed to this successful project, which greatly enhances the facilities for the children at St. Francis' School.

Little Gems nursery celebrates 25 years in Caterham

On Friday 10th January, the tots at Little Gems nursery in Caterham-on-the-Hill dressed up in silver for the day to celebrate the nursery's 25th anniversary. The nursery opened on January 10th 1989 at Caterham Methodist Church with six children and now has 45 children on role.

Owner of Little Gems, Hilary Gilbert, said: "We had a lovely day and the children were delighted when Peppa Pig and Iggle Piggle paid us

a visit! They joined in with the singing and other activities and stayed with the children while they had their party food. "We were also joined by Doris Nichols and Pam Bartholomeusz who have been part of Caterham

Methodist Church all the 25 years that Little Gems have used the premises and they have always been very supportive of Little Gems." The celebrations ended with the cutting of a birthday cake and everyone singing Happy Birthday. For more information about Little Gems nursery call Hilary Gilbert on 01883 343678.

Could you make a difference?
Then why not think about fostering

Call 08000 96 96 26 or visit www.surreycc.gov.uk/fostering

www.surreycc.gov.uk

Could you make a difference?

Then why not think about fostering. If you've got a spare room and want to help change a child's life, then fostering could be for you!

Fostering is something that can be really positive not only to the child you are caring for, but also your own children.

Mel and Dave have fostered for Surrey County Council for six years. Married with two children - Annie, 21, and Tom, 17, the couple are currently fostering John*, who is a similar age to their son.

What do you enjoy most about fostering?

It's our chance to give back. We can use our experience and parenting skills right now, rather than waiting for grandchildren. The smiles and the hugs are so rewarding. We enjoy being able to give someone transferable skills, make them laugh, and have a place to feel safe - it's given our family an enriched life experience.

What's a typical day?

No day is like any other. Some days are manic with doing the school run and organising social activities. Some days are quiet and relaxing with lots of laughter and fun.

What's the support like?

Our social worker Sue, is fantastic and has helped us so much. Surrey County Council provide workshops, training, support groups and fun days - we're part of a professional team.

Tom and Annie - what's it like having a new sibling in the family?

It's been lovely having John here - he's got a great sense of humour and we have a good laugh. As we're nearly the same age, having another member of the family has made things more fun.

Do you have any advice to other families wanting to foster?

I really recommend it - the love you can experience is incredibly rewarding. Seeing young people develop a sense of purpose and start to fulfil their potential is great. We can't make the world a perfect place, but we can provide a safe, non-judgemental space where they can learn to deal with life, and create a good future. Why not try it!

Could you become a foster carer?

Festive fun at The Arc

by Julia Church

There was plenty of fun and laughter going on at The Arc in Weston Drive, Caterham-on-the-Hill last Christmas, with hundreds of people being entertained by their production of *The Wizard of Oz*.

The show had a large cast of excellent adult and child actors, some of them undertaking several costume changes for different roles throughout the show. A lot of imagination and creativity went into portraying the story, for example with the twister that whisks Dorothy off to the land of Oz which used great sound effects for added drama.

Lucy Devenport who played Dorothy has a beautiful voice and performed the songs written by Christopher Chambers with real emotion. Some of the songs in the show were very lively, especially 'She Down' sung by Munchkins celebrating the death of the Wicked Witch!

The two crows made everyone giggle in the first half, taunting the poor old scarecrow played by John Soffe. The hilarious scarecrow was despairing of not being able to remember the punchlines to any of his jokes because he has no brain, so joined Dorothy on the journey to Oz. They were soon joined by the creaky Tin Man who needs a heart, played by Gareth Parish, and the timid lion, in search of courage, played by Sergio Taddia. The four made a

The Lion, Dorothy, the Scarecrow and the Tin Man set off on the Yellow Brick Road.

great team whose singing, dancing and general antics, supported by a superb cast, made this new version of a classic story a real festive treat.

Emma Wade, one of the young actors who portrayed several different roles throughout the show, was especially entertaining as Sharma the Monkey King.

In addition to the talented actors, there was a large team of people working behind the scenes to keep things running smoothly, not forgetting the brilliant costume designers for their expertise in creating some stunning outfits.

The show was a joint venture between The Arc and Another Way Theatre Company, written and directed by Beth Wood with music by Christopher Chambers and choreography by Susy Payne.

Eating Out

Casa Lola - superb Spanish food and service with a smile!

Amongst the excellent choice of restaurants to be found in Caterham Valley is Casa Lola, for diners who like to enjoy a taste of the Mediterranean.

Being a Spanish restaurant, Casa Lola specialises in tapas and seafood, but also offers a selection of Italian pasta dishes at excellent prices (from £6.95-£9.95).

The restaurant has a board on the wall with 'specials' to choose from, which, on the day I visited with my mum Pam, included Sea Bass and Fillet Steak.

We decided to choose a selection of tapas. The beauty of tapas is that you can either go straight to your main course and select your favourite tapas dishes or you can pick one of the dishes to have as a starter first, which is what we did. Mum chose the Patas de Cangrejo (crablets) and I chose the Mejillones Marinara (Mussels Marinero), a seasonal dish which was, fortunately, available on the night of our visit.

Mum said that her crablets were: "Lovely and plump and full of meat," and she commented on the attractive presentation, with a side salad. I had a generous serving of gorgeous mussels, which had been cooked in white wine, cream, onions, garlic and parsley. For our main course there were so many wonderful tapas dishes to choose from,

Casa Lola.

but we selected our favourite, the Raxo (Pork Fillets Galician Style) which comes with chips, the Pinchos de Pollo (Chicken Kebab) with rice and to accompany them two vegetable dishes, the Espinacas con Nata (spinach with garlic, chilli, cheese and cream) and the Champinones Picantes (mushrooms, garlic, chilli and wine). We shared the tapas between us, accompanied by a delicious bottle of Rioja wine.

The pork of the Raxo was very tender because it is marinated for hours before cooking. A whole chicken breast goes into the chicken kebabs, of which there were two juicy portions on the plate. The vegetable dishes were a superb accompaniment, and we especially liked the beautifully creamy spinach.

The service was prompt and friendly throughout the evening and the food was lovely and hot. Although we were offered the dessert menu, a simple cup of coffee was the perfect end to a lovely meal.

If you would like to try Casa Lola at lunch time, they offer a selection of tapas dishes with a wine, soft drink or coffee for just £6.95 - amazing value!

Come and see our showroom at Premier Heating!

Premier Heating Supplies is a local, family run firm now in its 26th year, no mean feat considering the tough economic times we've shared. We are suppliers of a large range of heating and plumbing products and also have a bathroom showroom with displays to suit all budgets. Ranges include Vitra, Roper Rhodes, Matki, Laufen and Utopia to name just a few.

2014 has started with a general feeling of optimism as far as the economy, newspapers and our customers are concerned. With that in mind we have refitted part of our showroom area to display a new range of Simpsons shower enclosures, Crosswater taps and Bauhaus bathroom furniture.

We have also started the year with a Stock Clearance Sale and have a number of ex-display items, or cancelled orders at bargain prices, including a few small kitchen displays that could be ideal for a utility room or small studio flat.

The refurbished bathroom showroom at Premier Heating.

So before you start your next project come to Whyteleafe and check what we have got!

Although many people enjoy shopping on the internet we strongly believe that a quality bathroom needs to be properly discussed with people who really know their products and care about and understand a

customer's specific requirements. It really does help avoid the nasty pitfalls that uninformed shopping brings.

Check out our website at www.premierheatingsupplies.co.uk or find us and 'like' us on Facebook to see what we are all about. We are sure you will enjoy being part of the Premier family.

Who wants to be a Volunteer?

by Rosemary Banks

Rosemary Banks.

How have you survived in all this crazy wet and windy weather? I was lucky to only acquire a surprisingly open plan garden!

Today, on the first sunny day for ages, there was a hard frost on the car and the radio advises me that soon it will rain again. Who knows, it may be snowing by the time The Caterham Independent drops onto your doormat! At least I have a doormat for the newspaper to land on. Not everyone is so fortunate. This is the third year that Reigate and Banstead Winter Night Shelter has run, one of the ways in which the Renewed Hope Trust offer help and support to people who find themselves in a pickle or homeless. To provide fellowship, a hot and substantial dinner, a safe place to sleep and breakfast seven days a week for 12+ weeks requires many thousands of volunteering hours. The shelter particularly need volunteers who are night owls. A team of four who come in from 10.30pm-6.30am and take turns sleeping so that there

are two volunteers awake at any time. I can recommend this way of spending an evening. The guests are good company, the food excellent and the experience/stories shared, remind me, that 'there but for the grace of God, go I'. Volunteers are also needed who can come in at 6.30am to prepare, serve and eat breakfast with the guests, tidy up and leave with them at 8am. To find out more visit www.rbwns.co.uk.

If you are interested in this volunteering opportunity or the many others that are available please contact me, Rosemary Banks at the Volunteer Centre in The Soper Hall, Harestone Valley Road, Caterham CR3 6YN, telephone 01883 344444 or email caterhamvc@tvsc.org.uk

2014 gets off to a flying start for Old Caterhamians RFC

by Lara B. Hewitt

2013 ended fantastically for Old Caterhamians RFC as they received full England Rugby accreditation. 2014 has now seen the 1st XV continue their winning streak past the season's halfway point. They are progressing well towards a promotion to Surrey 2 and developing a highly formidable squad.

With the club as a whole focusing on the development of the coaches, we have established ourselves as the club of choice for minis and youth rugby in the area. Links with schools and colleges in the community are strengthening, particularly with our participation in the All Schools project with England Rugby. As well as this, the club's Academy squad has more than met the targets set by the coaches in their first season.

The Academy train on the first Tuesday of every month, with fixtures once a month on a Friday evening. Players from U18s to U20s are encouraged to join our youth academy as

Old Cats Full Back Ben Doney scores a try.

an introduction to playing senior rugby, so get in touch!

Old Cats RFC offers competitive rugby for all ages, genders and abilities. Currently we have a recruitment drive specifically for Girls Youth and Women's rugby as these are the areas least populated. Training for Girls Youth is on a Wednesday evening from 7-8.30pm while the women train from 7.30pm-9pm. The youth section combines ages from 11-18 year-olds and the senior women is 18 upwards. All abilities, from beginners onwards, are welcome as our policy is an open door to rugby for all.

Captain of the team, Stephanie Le Hur says: "Women's rugby is a fantastic way to meet new people and make friends. It is really good exercise in the

fresh air, an excellent way to improve your fitness and have a lot of fun. Please come and join us, we welcome all!"

Our aim is to have as much fun and enjoyment within the sport as possible while providing excellent coaching to enable you to reach whatever level of fitness/ability you desire. Since the weather can only get warmer, why don't you give rugby a try? If you, or any female friends that you know, think that you would enjoy rugby, we would love to see you on a Wednesday training night.
