## Announcing the launch of the official Caterham Flag!

On Sunday 20th November, the official launch was held of the new Caterham Flag at the Soper Hall in Harestone Valley Road, Caterham.

The event was attended by Jonathan Spencer, who created the original, winning design for the flag; David Plaice who came second in the competition and ten-year-old William Paterson, who attends St. Francis' Catholic Primary School in Caterham, who came third.

Many of those who entered the competition also attended the launch, in addition to the members of the Caterham

Flag Committee led by Pete Dommatt and his wife Lorna, Caterham Town Crier, Sonia Hunt and the Chairman of Surrey County Council and Councillor for Caterham Valley, Sally Marks, who was one of the sponsors of the new flag.

Visitors to the event were able to view all the Flag Competition entries that were on display inside the Soper Hall. Cllr. Sally Marks presented the three winners with their framed certificates which were accompanied by cash prizes sponsored by The Caterham

and District Independent.

Pete Dommatt, who came up with the idea for an official flag for Caterham, said: "I have been amazed by the support that Caterham's flag has received, not just the sponsors and the local and county councils, but the contributors and Jonathan Spencer the winner. I am proud to unveil a flag that the whole community can get behind. It is going to every school, Scouts, Cubs and Guides group and I look forward to seeing it on our streets."

The crowd then assembled outside for the hoisting of the flag by Jonathan Spencer, to much applause, before retiring back inside the hall for a glass of celebratory Prosecco.

## Flood victims still awaiting clearance and repair of drains

Following the torrential down-pour on Tuesday 7th June, which resulted in the flooding of many properties in Caterham-in-the-Hill and in Caterham Drive, Old Coulsdon, the newly-formed Caterham-on-the-Hill Flood Action Group has been working hard to try and ensure such a catastrophic event does not happen again, while most of the blocked and damaged drainage system is still unfit for purpose. On Tuesday 6th December they will be meeting with the various agencies responsible for maintaining Caterham's infrastructure. Here is a statement for the Flood Action Group's Chairman, Mary Alston, on the current situation:

"As we are approaching Christmas it is worth bearing in mind a number of Caterham residents are still not back in their own homes after suffering flooding on 7th June 2016, and will not get back until next year. There were about 80 homes affected in Caterham-on-the-Hill and Old Coulsdon. The ongoing repairs and

restoration of these homes is a long process and many residents are faced with large bills that are not covered by their insurance policies.

For those that have returned to their homes they are anxious every time it rains, worried that it will happen again. This fear is real and not without reason as there are still reports of blocked drains and collapsing roads and pavements. There are still roads flooding during heavy down-pours; putting homes at risk of flooding. As winter is upon us these risks will continue, especially with fallen leaves blocking drains.

On Friday 11th November the Section 19 investigation Report on the flooding was published with a number of recommendations. These covered pre-flood, during the flood and post flooding responsibilities of key agencies and the response to the community. The recommendations are welcome but there is a need to put action in to place; no more sticking plasters on a gaping wound.

The flood action group is collating as much information as possible and creating an action plan to work with the respective agencies. This will be presented to them and their

responses will be monitored and they will be held to account. There is a lot of work to be done. Although some work has started, this will take a long time. The agencies need to fulfil their responsibilities to their customers and rate payers. Urgent investment is needed to support the infrastructure of the drains and sewers which are already not able to cope with the increased number of properties, never mind future building sites.

The incidents of flooding will continue to rise, more houses will be at risk if urgent action is not taken. The last one affected 80 properties, next time it could be your home."

## Local Lions rally to help those affected by flood

Lions Clubs International is a worldwide charity whose aims include helping people in their local communities who have suffered hardship. Tony Skilbeck from the Caterham, Oxted and Godstone Lions Club has joined Councillor Eithne Webster to visit several families affected by the floods to hear their stories and offer them help. One such family had their garden destroyed when flooding caused the collapse of a retaining wall into their garden and so, by teaming up with Knights Garden Centre, the Lions have given the family a donation towards rebuilding the garden that they lost. Other people the Lions have helped include a family with an autistic child who had to

## Please have your say in Local Plan Consultation

The second stage of Tandridge District Council's Local Plan Consultation is now under way and due to the considerable importance of the Consultation in order to resist unwelcome development in Caterham, the Hill and Valley Parish Councils are holding a joint public meeting on Tuesday 6th December at 7.30pm at Hillcroft Primary School, Chaldon Road, Caterham-on-the-Hill. The Parish councillors will be explaining the terms of the Consultation, helping residents to frame their responses and seeking their views for the Parish Councils' responses.

Chairman of Caterham-on-the-Hill Parish Council, Cllr. Chris Botten, said: "I urge everyone to think carefully about what you would like to see for our community, to form your own opinion and send comments to the Council during the consultation period. We believe our public meeting will support you in that process.

"New homes are certainly needed, but what would the effect on our existing services and infrastructure be? Surely we are over-developed already. Our drains and sewers don't work and our schools are oversubscribed. Many of the sites under consideration are Green Belt or parks and allotments. What is their value to people and wildlife? Aren't they important in maintaining open spaces between built up areas? There is not enough land in our area to serve all of these purposes.

Therefore local people are being asked to say what their priorities are for all these potential development sites in Caterham, Chaldon and Whyteleafe, not just the one that happens to be on our doorsteps. I look forward to seeing you on 6th December."

Speaking about the Local Plan Consultation on behalf of Tandridge District Council, Piers Mason, Chief Planning Officer, said: "Drawing up a local plan is a long and complex process set out by the government. We know residents are concerned about sites submitted to the plan and this important consultation will enable them to give us their views on individual sites. My team is very aware of the concerns about infrastructure and as the process progresses and there becomes more certainty about particular sites, detailed infrastructure planning can be undertaken. Sites can still be ruled out if infrastructure cannot be provided. We want you to help shape and influence the place you live, work or visit, so please take this opportunity to tell us what you think."

The consultation documents are available at the TDC website, [www.tandridge.gov.uk/localplan](http://www.tandridge.gov.uk/localplan) until Friday 30th December.

The full list and maps of the sites that Tandridge consider "deliverable and developable" for housing is given in the Local Plan under HELAA (which stands for Housing and Economic Land Availability Assessment) Appendix 3, alongside many other evidence-based reports.

## Remembering the Fallen November 2016

On Friday 11th November, children from Warlingham Village Primary School attended a service at All Saints Church, whose grounds contain graves of 22 casualties of war. During the ceremony the children had the opportunity to talk to some World War II veterans. Head teacher, Geoff Green, said: "Seeing the graves and talking to the veterans really brought home to the children the significance of what happened."

### Kenley Airfield prepares for "Learning Festival"

On Thursday 10th November, an educational workshop was held at Kenley Airfield for City of London tour guides and members of the Kenley Airfield Friends Group ("KAFG").

Amy Todd, the Kenley Revival Project Learning Officer, gave a presentation in the Portcullis Club, about ways to develop and deliver interesting tours of the historic Battle of Britain airfield for visiting family groups and school parties. Those attending the event were asked for their ideas about how to showcase

the airfield to youngsters in a stimulating and educational way, ready for the launch of the Learning Festival next year. The group then went on a tour of the airfield with Amy to further develop their ideas.

For more information about the Learning Festival and tours of the airfield, visit [www.kenleyrevival.org/learning](http://www.kenleyrevival.org/learning).

Amy is also interested to hear from anyone with memories of Kenley during the Battle of Britain for an oral history project. If you would be happy to have your memories recorded for the project please e-mail Amy at [kenleyrevival@city-of-london.gov.uk](mailto:kenleyrevival@city-of-london.gov.uk)

### Owner of Rose & Young site objects to council's CPO.

Last August, Tandridge District Council served a Compulsory Purchase Order ("CPO") on Caterham Properties, the owners of the derelict Rose & Young site in Croydon Road, Caterham, with a view to passing ownership over to CoPlan Estates Ltd. so that work can commence on the construction of a Premier Inn hotel and Beefeater restaurant.

In the light of recent developments, Tandridge District Council has made the following statement: "The Council remains committed to seeking the redevelopment of the Rose and Young site. The owner has objected to the Council seeking to compulsorily purchase the site. The Council will be responding robustly to the objection made by the owner and continuing to seek a negotiated purchase to ensure the site's redevelopment. "If this is not successful, the Secretary of State will set a date for a Public Inquiry, which is likely to be in spring 2017. The Council and its partner CoPlan Ltd, have instructed Barrister Alexander Booth QC to assist with the preparation

for the potential Public Inquiry and the Department of Communities and Local Government has written to the Council asking for our Statement of Case by 22nd December.

"The Council is aware Companies House has stated Caterham Properties Ltd (CPL), the owner of the site, has been dissolved. The Council is in contact with Caterham Properties' lawyers who have stated this "was related to outstanding filing formalities which are to be addressed urgently and CPL will be reinstated to the register as a matter of urgency and as soon as possible."

## Round Table Beer Festival biggest success ever!

The Caterham Round Table Beer Festival held in the Soper Hall, Caterham Valley on Friday 18th and Saturday 19th November was the busiest ever this year, raising more than £10,000 for local charities. Over 1,000 people attended over the course of the two-day event, consuming 3,850 pints from 55 firkins of ale. The main organiser of the

event this year, Glen O'Dwyer, owner of Computer Solutions shop on Caterham High Street, said: "Some of the beers had run out on Friday night so we had to collect nine more for Saturday which we have never had to do before."

"There was a great atmosphere with lots of positive feedback from the customers. I would like to thank all the local businesses who sponsored the Beer Festival and the many hard-working volunteers who helped us to run the event. It is fantastic to have their support."

### St. Francis' pupils take part in World Record challenge

On Friday 7th October, pupils at St. Francis' Catholic Primary School in Caterham teamed up with schoolchildren across the world to take part in The World's Largest Global Maths and Science of Sport Lesson 2016. The highlight of the lesson was a 100 metre sprint that had to take place between 11am-11.30am. The pupils had to compare how long they took to run the 100

metres with Olympic records dating back to 1908. Followig the lesson, Science Co-ordinator, Alis McGregor, said: "The children were incredibly excited about the world record event. They thoroughly enjoyed analysing the Olympic data and exploring how athletes' running times are getting quicker. They were keen to explore their own 100m data, observing whether the year groups were becoming quicker as they got older, which they were. All in all, a very exciting day, packed with lots of science and maths!

### Hillcroft pupils phiz with excitement as new lab opens

On Monday 7th November, Hillcroft Primary School in Caterham welcomed special guests to the school for the official opening of its exciting new Phiz Lab.

Hillcroft, a member of the GLF Schools Trust, received funding from physics education charity the Ogden Trust to equip and maintain a specialist unit, aimed at improving the quality of science teaching, raising its profile in schools and encouraging student and parental involvement. Guests at the opening included representatives of the Ogden Trust, school governors, the local Rotary Club and also teachers from other schools in the Caterham area. They were treated to a guided tour of the facilities by some of the Hillcroft pupils who will be using them, as well as seeing experiments being conducted, before the

Wendy Cox of the Ogden Trust opens the new Phiz Lab.

new lab was officially opened by the Trust's national primary science consultant Wendy Cox. "To have a facility like this here at Hillcroft is absolutely wonderful for the whole school," said Tom Holloway, Hillcroft's maths leader and a former winner of the Primary Science Teacher of the Year award.

"Not only is the equipment itself as good and as up-to-date as you can get, but all the science resources are grouped together in one place, which really helps with genuine child-led inquiry. For the children it's wonderful, and for us as educators, it couldn't be better."

## St. Mary's Church launches 'Caterham-on-the-Ale'

As part of the celebration of 150 years of St. Mary's Church, Caterham-on-the-Hill, a plan was hatched to have a special beer brewed for the winter, following a centuries old tradition of the Christian church communities.

As the quantities of beer that would be required were going to be beyond any attempt to "home brew", the team at St. Mary's Church decided to look at getting a beer brewed professionally by a local brewery. As St. Mary's Church is part of the Diocese of Southwark, the church approached Southwark Brewing who are with the dioceses and based less than a mile from Southwark Cathedral. After several months a final plan for the beer was agreed. The run would be a one-off limited edition of 2,000 bottles (660 litres). It would be a dark winter ale, in the style of a porter, but not too strong, as would have been traditional in historic church ales.

On the 20th October Southwark Brewing began the brewing process, and the Reverend Canon Duncan Swan, Vicar of St. Mary's Church and Honorary Canon of Southwark

Geoff Izzard selling bottles of *Caterham-on-the-Ale* at the *St. Mary's Christmas Fair*.

Cathedral, visited the brewery to bless the beer during its initial brewing process.

A week later the beer was bottled, labelled and boxed, all by hand by the Southwark Brewing team, and delivered to St. Mary's Church.

Geoff Izzard, member of St. Mary's Church, said: "The ale is proving very popular and when it is all sold we will have made a good profit of £2,000 for the church.

"We would like to say a big "thank you" to our sponsors - Buxton Building Contractors Ltd., Caterham Dental Care, Champ Consultants, Park & Bailey Estate Agents, The Caterham Link and Swift Windows."

## Army Cadet, Shauna Lawless, wins national competition

Surrey Army Cadet Regimental Sergeant Major Shauna Lawless from Caterham has won the coveted Claire Shore Trophy and is officially the Army Cadet Force's Champion Cadet 2016. At a special ceremony at the Cadet Training Centre in Frimley on Thursday 1st September, RSM Lawless, who currently parades with Redhill Detachment, part of Surrey Army Cadet Force, was presented with the prestigious award.

Each year ACF County Commandants are asked to nominate their best Master Cadet to compete in the Champion Cadet Competition, which this year took place on 30th August - 1st September. The competition, which lasts just under 48 hours, tests both physical and mental aptitude. Cadets compete against each other in activities that include command tasks, weapon handling, map and compass skills (including night navigation), foot drill, first aid, logical problem solving and a comprehensive test of the entire ACF Army Proficiency Certificate syllabus. There is also a panel interview for those who make it to the top three. The winner of the competition is the cadet deemed by the selection committee to be the year's most inspiring example of the ACF Master Cadet.

Cadet RSM Lawless said: "Winning

From left: Lord-Lieutenant of Surrey, Mr Michael More-Molyneux, Cadet Regimental Sergeant Major Shauna Lawless and Councillor Pat Cannon, Chairman of Tandridge District Council.

Champion Cadet has been the biggest achievement in my life and I am extremely proud of myself for winning the trophy. I couldn't have done it without the amazing support and belief from all of the adults from Surrey ACF.

"The ACF has made me a more confident and well developed person, which has helped me to increase my job opportunities. It has given me life skills, qualifications and friends I never would have met if it wasn't for the ACF. Of all the experiences I've had at Surrey ACF, including going to Australia on a three week exchange, being awarded the trophy and becoming Champion Cadet is fantastic. I'm at the very top." ## Local youth choir is featured on BBC Radio Surrey to promote release of Remembrance single

Born out of Chaldon Youth Choir, Amity Youth Choir recently released a Remembrance Single 'Guide You Home', a mix of Coldplay's 'Fix You', Lennon's 'Imagine' and the iconic bugle call The Last Post arranged by Madeline and Matilda Castrey.

The single was recorded to raise funds for The Forces Children's Trust and The Royal British Legion and was launched officially at a showcase on 6th November.

As a result, nine members of Amity Youth Choir went along to BBC Radio Surrey on Armistice Day, Friday 11th November, to be interviewed, and for their single to be played on the Breakfast Show. Anna Davies also sang her solo live on air! This broadcast was a huge hit and amassed 6,000 views of the single's music video in just a day, with many listeners from all over the world commenting on how inspirational and beautiful the track is. As a result, a further interview and broadcast of the track took place on Radio Susy 103.4

the following day. Madeline and Matilda Castrey and Amity Youth Choir were thrilled to have this opportunity to promote their single and raise as much funds and awareness for their chosen charities as possible.

## Club is bowled over by donation from Tandridge Community Fund!

On Monday 14th November, members of Warlingham Park Bowls Club gave a very warm welcome to Mike Moss MBE, Chairman of the Tandridge Community Fund, who visited the Club to present them with a cheque for £400. The Club, which has recently celebrated its 50th anniversary, is completely self-funded, with the members organising events such

as Quiz Nights to supplement the membership subscriptions. The Club is currently fundraising to install a more spacious and secure tool shed for their gardening and green-keeping equipment, which suffered a break-in earlier this year.

On receiving the cheque from Mike, Club President, Ralph Bailey, said: "We are very grateful to the Tandridge Community Fund for their generous donation. Thank you Mike."

For more information about the Tandridge Community Fund, part of the Community Foundation for Surrey, call Mike Moss on 01883 713322.

## Campaign supported by MP succeeds in re-instating later mail collection time

Following numerous complaints by local residents, supported by a letter to a senior executive at Royal Mail by East Surrey MP, Sam Gyimah, a later final collection time of 5.30pm has been introduced at the post box on Croydon Road, Caterham, outside the Co-op. Last August the collection time at all of Caterham's main post boxes was changed to around 4pm, causing great inconvenience to local residents and business owners.

Paul Johnston and Andrew Browne of the Caterham Business Partnership spearheaded the campaign to re-instate a later final collection time, resulting in many letters of complaint being sent to Royal Mail. In an e-mail to Sam Gyimah MP, James Mitchell, Senior Public Affairs Manager at Royal Mail, said: "I can confirm that the Manager in charge of the new collection times in the area has agreed for the postbox on Croydon Road to be changed to a later collection time of 17.30. I hope that you and your constituents will be pleased with this outcome."

## Eating Out

### New takeaway 'Secrets of India' opens in Caterham

Review by Julia Church

A brand new Indian takeaway has recently opened at 62 Croydon Road called Secrets of India. My daughter Jenny and I enjoyed a takeaway from there after the switching on of the Warlingham Christmas Lights on 19th November. It was a lovely warming way to follow a fabulous but chilly community event!

Jenny ordered her favourite, a creamy Chicken Korma and I ordered the Vegetarian option of the traditional, medium spiced Palak dish which also offered Chicken, King Prawn, Lamb and Prawn options. Jenny also chose the King Prawn Butterfly and I chose the Garlic Mushrooms, from the Appetisers section of the menu, as accompaniments and together with sharing a Pilau Rice and Peshwari Naan the quantity of food was perfect, with plenty for seconds. Both curry dishes were very large portions and Jenny's King Prawn was also a good size. Jenny said the juicy

The new Indian takeaway in Croydon Road.

King Prawn was mildly spiced and the Chicken Korma was very tender, with a beautiful, delicately spiced flavour with the creaminess that Jenny loves.

My Vegetable Palak was a medley of vegetables including potato, sweetcorn, spinach, onion, tomato, green beans and cauliflower. I have not had a Palak dish before and it is now a new favourite of mine, with its wonderful combination of spices hitting the spot. The generous portion of garlic mushrooms went very well with the vegetables and was not too garlicky.

## Whyteleaf FC - back to winning ways

by Clive Davis

After appointing a new 1st Team Manager, Whyteleaf Football Club has got back to winning ways.

Leigh Dynan has taken eight points out of a possible 12 from his first four games in charge of the Ryman League South team, including high scoring wins against East Grinstead (7-2) and Guernsey (5-1).

As a player, Leigh was on the books at West Ham until a knee injury forced him to step down to play at non-league level for Fisher Athletic, Carshalton Athletic and Walton Casuals. He joined Farnborough FC in 2012 as Reserve Team Manager and became Assistant Manager at the club later that year.

"It is a privilege to be given the job at Whyteleaf and I am excited to be joining such a highly respected and professionally run club," said Leigh. "My ideas and ambition match those of the club and I'm looking forward to bringing a level of success that ensures that players, fans and everybody involved in the running of the club are proud to be a part of Whyteleaf FC."

Whyteleaf will be playing at home in December - on the 6th v Colliers Wood United in the Surrey Senior Cup and in the league on the 17th v Dorking Wanderers and on the 26th
