## CR3 residents urged to support Plan for the future of Caterham, Chaldon and Whyteleafe

CR3 residents are being asked to comment on the first draft of the CR3 Neighbourhood Plan. In 2011, the government introduced the right to do neighbourhood planning through the Localism Act to encourage communities to decide the future of the places where they live and work. Thanks to the dedication and hard work of a small group of volunteers, the residents living in the CR3 postcode part

of Tandridge now have the first draft of their own, detailed Neighbourhood Plan for the area ready to read and respond to. The Neighbourhood Plan sets out the local issues and needs identified by the volunteers, who are known as the CR3 Forum, during the course of their research over the last four years. Once officially adopted, the Neighbourhood Plan will become part of Tandridge District

Council's set of policies that are used to make planning decisions in the area, giving the CR3 community a significant role in future planning and decision making for the area. The only other area of Tandridge to have produced a Neighbourhood Plan is Woldingham. The first draft of the Neighbourhood Plan ('The Pre-submission CR3 Forum Neighbourhood Plan 2013-2035') can be viewed online at [www.cr3forum.org.uk](http://www.cr3forum.org.uk) or printed versions are available at Caterham-on-the-Hill and Caterham Valley libraries.

## Residents urged to support the CR3 Neighbourhood Plan *Continued from page 1*

Residents can also view supporting documents via the website, including all the data and analyses used to formulate the policies in the Neighbourhood Plan. The Site Assessments that have been carried out on the sites that have been identified for potential new housing can also be viewed on the website. The assessments show that most, if not all the sites on green belt land, are defended. CR3 Forum Steering Group member, Cllr. Geoff Duck, said: "More housing in CR3 is inevitable. We cannot tell Tandridge District Council that we do not want any more housing. Every local authority has targets set by the government that it has to meet but by having a Neighbourhood Plan, we can influence the decisions made by Tandridge District Council about where new housing will go in CR3." The CR3 Forum is holding a consultation period which ends on 31st May, where residents can express their views on issues raised in the draft Plan (Document 2: 'The Pre-

submission Plan' at [www.cr3forum.org.uk](http://www.cr3forum.org.uk)). Comments from the consultation period will be assessed for the next revision of the Plan. The revised Plan will then be considered by Tandridge District Council, who again will publicise it for further public consultation. Finally a planning inspector will decide on whether it is ready for submission to a public referendum. It is hoped the referendum to ask local residents if they agree with the policies in the Neighbourhood Plan will take place in October or November this year. If the majority of voters say 'Yes' the Neighbourhood Plan will then become part of the set of policies that are used to make planning decisions in the area.

To take part in the consultation, please e-mail your comments on the Pre-submission document to: [CR3forum@gmail.com](mailto:CR3forum@gmail.com) or send by post to CR3 Admin Officer, Salmons, Salmons Lane, Whyteleaf, Surrey CR3 0HB.

*The Neighbourhood Plan Pre-submission document.*

**The National Planning Policy Framework requires that local planning authorities identify the Objectively Assessed Need ('OAN') for housing in their areas and the OAN for CR3, based on a scientific appraisal on what the population will be in the next 20 years, is 2,560 new dwellings between 2015 and 2035 at an average rate of 128 units per annum.**

## Sonia lights up Caterham Beacon for royal celebration

On Thursday 21st April, a crowd assembled on Westway Common in Caterham-on-the-Hill to see the lighting of the Beacon to commemorate Her Majesty the Queen's 90th birthday. Andy Parr MBE organised the event and

Caterham Town Crier Sonia Hunt lit the beacon to cheers from the crowd, followed by a rousing rendition of the National Anthem.

## League of Friends opens new shop in Caterham Dene Hospital

On Thursday 21st April, friends and supporters of the League of Friends of Caterham Dene Hospital ('LoF') attended the opening of the new charity shop in the hospital's reception area. The shop will help to raise funds for the LoF to help pay for new equipment and furnishings for the hospital. Amongst the many items for sale are beautiful, hand-knitted baby clothes, pretty crocheted blankets, cosy hand-muffs, greetings cards, second hand books and a range of DVDs. Visitors were then taken on a tour of the hospital, including a visit to the Physiotherapy department which is kitted out with a range of equipment purchased by the LoF, and the new audiology booth, another new facility part-funded by the charity. The LoF recently received an unexpected boost to its funds when the Caterham Branch of Age Concern closed down. The branch closed at the end of 2015 due to changes in

the use of the facilities at the Douglas Brunton Centre in Caterham-on-the-Hill, where Age Concern members used to meet. LoF Chairman, Jean Baker, said: "I would like to say a big thank you to Pat Newland and her committee for nominating the League of Friends to inherit the surplus funds from the closure of Age Concern in Caterham. I know the hospital needs to purchase some bedside chairs for the ward and this money will go a long way towards getting these." The new LoF shop is open from 10am-12pm and 2pm-4pm Monday to Friday.

## Residents express concern over plans for Caterham beauty spot

Residents living in the Harestone area of Caterham Valley have been voicing their concerns about plans submitted to Tandridge District Council by Caterham School regarding the future of Old Park Wood. The application is to construct two new vehicle entrances to the Wood via Gravelly Hill close to View Point. The proposed access points are to enable the removal of timber produced from thinning and coppicing operations which will produce approximately 2,400 tonnes of timber in the first ten years. HGVs will need to be able to reverse into the wood to reach the loading points and pull out again.

The concerns raised centre mainly around the damage that would be caused to the ancient woodland as a result of clearance to create the access points and the many hazards presented by the flow of HGVs along the narrow local roads to access the site.

On Wednesday 23rd March representatives of Caterham School held a meeting at the school to give local residents

the opportunity to express their views about the proposed scheme.

The school has since submitted a revised planning application to Tandridge District Council (No. 2015/1819).

Robert Charlesworth, Estates Bursar at Caterham School, said: "The future of Old Park Wood was secured when Caterham School purchased the woodland in 2014, putting an end to the threat of development on this cherished spot. The School has and will continue to stay true to its aim of preserving the woods.

"To preserve this beautiful area Caterham School has consulted and employed a range of expertise to ensure a proper woodland management plan, including the Forestry Commission, Clive Ellis Woodland Management Consultancy, Surrey Highways, Surrey Wildlife, Surrey Archaeological Society and the ANOB Planning Officer.

"As a result of listening to neighbours' concerns, the School delayed its planning permission application to further refine the best routes and timings for timber removal. Once conclusions have been reached the School will once again share the information with those in the local area."

## United Reformed Church holds Open Day to mark triple celebration

On Tuesday 1st March, Caterham United Reformed Church celebrated St. David's Day, the second anniversary of their Minister, Julian Thomas's, Induction to the Pastorate and the completion of their new kitchen with an Open Day. Their hirers who hold classes and events at the Church, were invited to show visitors what they offer to the local community.

Councillor Sally Marks, the Chairman of Surrey County Council, attended the Open Day and spent time talking to the various organisations who had taken a stall as well as viewing the new kitchen where members of the Church Catering Committee were providing light refreshments for the visitors.

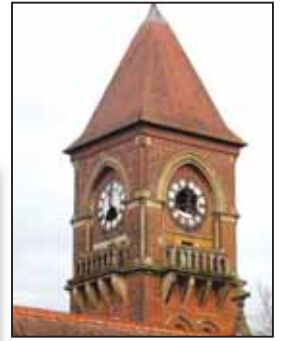

At lunch time The Rock Choir gave a 'taster' concert in the Church to the delight of the visitors. Frances Loveless, Property Officer at the Church, said: "Community involvement is a very significant part of the Church's mission so the Open Day was an

### Clock Damage

Unfortunately, on Easter Sunday, Storm Katie raged through Caterham Valley and caused considerable damage to the clock faces of the United Reformed Church. Following expert advice the clock mechanism was stopped to prevent further damage. The repairs are currently being assessed and it is hoped the clock will soon be repaired.

opportunity to show the wider community some of the many varied activities which take place here.

"In spite of the continuous rain it was a very successful day with many people visiting the Church. Some of them were visiting for the first time and were amazed at all the activities taking place and the number of rooms including the hall we have available to hire."

## Janette celebrates 20 years of girlguiding

20 years ago, Caterham resident, Janette "Robin" Ralph, was volunteered by her daughter Michele to run the 9th Caterham Guides, who meet at St. Mary's Church Hall. Janette agreed to "have a go" and with the help and guidance of the late Karen Booth, her friend June Rowe and many others, Janette's love for girlguiding grew. She later also became leader of 4th Caterham Brownies and 4th Caterham Rainbows, who

meet at St. Francis RC Primary School. Janette has recently taken on the role of District Commissioner for the Caterham Hill and Chaldon District. On Wednesday 13th April, a surprise party was held for Janette at St. Mary's Church Hall, attended by Leaders, Guides, Brownies and Rainbows, old and new, to celebrate Janette's 20 years. 9th Caterham Guide Leader, Annabel Richardson, said: "We would like to thank "Robin" for her dedication to girlguiding, giving youngsters the opportunity to have fun, make new friends and try different things. Roll on summer camp 2016!"

## Leader of Surrey County Council, David Hodge, joins speakers at Warlingham Parish Council AGM

On Tuesday 12th April, local residents packed Warlingham Church Hall for the Warlingham Parish Council AGM. After welcoming the audience, Chairman, David Cooley, introduced the Leader of Surrey County Council and Surrey County Councillor for Warlingham, David Hodge, to the meeting who expressed his serious concerns about the proposed Lidl development in Hamsey Green during his talk. He said: "I have looked at Lidl from a traffic point of view. Croydon Council have managed to move the bus stop to a very unsuitable place. I am going to fight that to the last breath I have got because a lot of children use that bus stop. I am not happy and I am not prepared to see the children and people of Warlingham put at risk for a commercial venture." The next speaker, Surrey Police Area Commander, Dan Gutierrez talked about the latest crime figures and the changes being made to the police service due to austerity cuts to their budget. He also told the audi-

ence about the new Child Safeguard Investigation Scheme that has been set up following the death of Breck Bednar, who was murdered by someone he met online. Dan said the police are now scrutinising issues regarding young people a lot more and working with the Metropolitan police and other agencies to prevent similar tragedies happening again.

John Kempton, Community First Responder Team Leader, gave a presentation about the organisation to try and recruit volunteers to train to become Responders for Warlingham, Farleigh, Chelsham and Whyteleafe.

The final speaker, David Weightman, the Chairman of Tandridge District Council's Planning Policy Committee, spoke about the Local Plan. He said the council had received over 3,000 responses to the recent Local Plan Consultation which Council officers are now in the process of going through. He reassured everyone that the Council were not planning to build on the Green Belt, saying: "The Green Belt Review we undertook when creating the Local Plan is the

best way to future-proof the Green Belt. We have to have arguments in our armoury as to why we are not building on the Green Belt."

The meeting ended with a summary of activities over the past year, including an update on the repair work on the War Memorial and the continued successful running of the library, with a big thank you to its volunteers. A progress report was also given on the Green Improvement Project which is currently carrying out traffic surveys before prospective schemes are put on display for the public to comment on later this year.

## Classical extravaganza raises funds for Rotary charities

The Millennium Theatre in Woldingham School was the impressive venue for a classical concert organised by Caterham Rotary Club on Friday, 1st April. After the success of last year's event featuring students from the Royal Academy of Music, the club invited the stars of last year's concert, Imogen Hancock (trumpet) and Jennifer Hughes (piano) to mastermind another extravaganza. They were joined by trombonist Rupert Whitehead and soprano Alison Rose to

perform a selection of well-known pieces from a variety of genres.

Internationally-renowned tenor, Ryland Davies, who teaches at the Royal Academy, was amongst the audience to the delight of the performers.

Organiser of the event, David Monk, said afterwards: "From the many messages I have received, everyone appeared to enjoy the evening. I was amazed that performers so young could play with such skill, precision and sensitivity. I am delighted to report that the evening raised just over £1,735 which will benefit local and international charities."

The Chalet**

On Sunday 3rd and Sunday 10th April, hundreds of visitors went along to the Open Garden event at The Chalet in Tupwood Lane, Caterham. Chairman of West Ham Football Club, David Gold and his fiancée Lesley hosted the Open Garden Days in support of the National Gardens Scheme and St. Catherine's Hospice.

This year both days were blessed with beautiful sunshine and a magnificent display of daffodils in full bloom for the visitors. The crowd was treated to a full programme of entertainment by musicians including Jenny Green, John Lazenby, Eddie Webb and Chris, Nicky and Rosie Chambers, as well as the Oxted Brass Band. David Gold said: "We have been really worrying because we thought the weather would be wet again like last year but it has all come together fantastically this year and I am delighted to see so many people here."

## Schoolchildren have stars in their eyes after teacher's Space Station link up

On Thursday 14th April, staff and pupils at Hillcroft School were very proud and excited to see their Science teacher, Tom Holloway, take part in a live stream with British astronaut Major Tim Peake at the International Space Station. Mr Holloway was one of just two British teachers given the once-in-a-lifetime chance to put a question to Major Peake in a question and answer session hosted at the University of York's National STEM (Science, Technology, Engineering and Maths) Learning Centre. With his pupils in Surrey watching on television, Mr Holloway got to ask his question to Major Peake and

drew a surprising reply. Mr Holloway said: "My question was, "Which skills or experiences have unexpectedly proven most useful to you in space?" Of all the things in the world, he said it was assembling Ikea flat pack furniture!" "He said putting together wardrobes had given him good practice at using tools and equipment and following instructions, and that was key to life in the space station environment." With so many demands on Major Peake's time, the conversation was limited to just exchanging names, saying what school he was from and asking the question but it

meant that an excited crowd of pupils back in Caterham, as well as Mr Holloway's friends and family, got to hear the name of Hillcroft being mentioned in outer space. Mr Holloway said: "It was a totally amazing experience, although rather nerve-wracking. Major Peake's stay on the International Space Station is something that has really captured the imagination of schoolchildren everywhere, so it was a huge honour to be able to make it so personal for all our pupils at Hillcroft. "People talk about remembering where they were when the moon landings took place - I hope that, for our children, this will be a similarly memorable experience."

## Crazy Hair Day raises funds for Brain Tumour charity

On Friday 4th March, Year 11 students at Woldingham School held a Crazy Hair Day for Brain Tumour Awareness Day, inspired and led by Elise O'Connor. Some fabulous headgear was donned in return for donations, including tiaras, top hats, Tam O'Shanter's and bandanas. The initiative was extended to staff too, with each department encouraged to adopt a coordinated approach to headwear! The total amount raised so far is over £430, with more funds still to come in. Jayne Triffitt, Headmistress, said: "Elise has done a wonderful job in organising this fundraising day for the whole school and it is heartwarming to witness her own, personal journey and progress in her recovery." Elise was very pleased with the support she had from the school. She said: "I started fundraising for the Brain Tumour Charity because brain tumours only

receive a tiny percentage of the UK's cancer research funding. The funds will be donated to raise awareness and continue research to help diagnose tumours more quickly and to find new treatments. This charity is particularly important to me because in April 2014 I was diagnosed with a brain tumour. Charities like this are so important for helping people who are affected by brain tumours, as well as their families. I believe it is important to give back and to help those in similar situations. I chose 'Crazy Hair Day' because students could experiment by doing something different with their hair. I was so pleased with the support I received from my school, and girls from all years were rocking crazy hairstyles and wigs."

## Competition is launched to design a Caterham Flag

On Friday 22nd April, the official launch of the competition to design a Caterham Flag took place at St. Francis RC Primary School in Caterham-on-the-Hill.

Representatives from St. John's CofE Primary School, Hillcroft Primary School, Sunnydown School and St. Francis RC Primary School attended the launch organised by Pete Dommatt from the Caterham Festival Committee.

Caterham-on-the-Hill Parish Councillor, Sarah Burningham, also attended the launch to learn more about the competition, which is being supported by both Caterham Valley and Caterham-on-the-Hill Parish Councils.

During his presentation, Pete said: "This is a wonderful opportunity for the whole of Caterham to get behind another community initiative and give us all a sense of identity. The Caterham Flag can be flown on royal occasions like the Queen's birthday celebrations we had recently. It can also be flown at the Caterham Carnival and other local events to make us all feel proud."

Afterwards the children were given laminated copies of the entry form to take back to their

schools to copy and distribute to their school friends.

The competition is for anyone of any age to enter. There will be a prize of £100 for the designer of the winning entry, a £50 prize for the runner-up and a £20 third prize, all sponsored by The Caterham and District Independent.

A professional graphic designer will create the final Caterham Flag design based on a reproduction of the winning entry. A framed Caterham Flag will be awarded to the winner and the winning design will be registered with the Flag Institute.

Entry forms can be downloaded from [www.caterhamfestival.org](http://www.caterhamfestival.org) or [\[www.caterham-independent.co.uk\]\(http://www.caterham-independent.co.uk\) or picked up from Caterham-on-the-Hill or Caterham Valley libraries or The Arc in Weston Drive, CR3 5XY. # PLAY TWO-TIMES WORLD DARTS CHAMPION, TED HANKEY

**One of the biggest names in world darts is to appear on the oche at Whyteleafe Football Club.**

Two times BDO World Champion, Ted 'The Count' Hankey, will help to raise funds for the club when he competes against 16 lucky players from 7.30pm on Thursday 12th May.

By answering one question you could be one of those players whose name will go into a draw. The first three people with the correct answer will play Ted.

The event is part of an initiative by Caterham based My Club Betting to raise badly needed funds and provide sports kit to grassroots sports clubs. It allows clubs like Whyteleafe FC to have a customised betting site and if people who bet via the site lose, the club gets 20% of the net revenue that the bookmaker wins.

Tickets for the event are just £5 in advance and will double up as your entry in a draw to be made on 12th May to play Ted. Tickets are available from the club in Church Road, Whyteleafe, or by telephoning 020 8660 5491.

**BUT THREE LUCKY READERS ARE GUARANTEED A GAME BY TELLING US: What is the minimum number of darts required to win a game scoring 501 points?**

**a) 7; b) 9; c) 11**

E-mail your answer to [info@caterham-independent.co.uk](mailto:info@caterham-independent.co.uk) with the heading 'Darts Competition'. Please include your daytime telephone number. The closing date for entries is 5pm on Friday 6th May. The names of the winners will be published in the June edition of The Caterham and District Independent.

## Rainbow Run raises over £2,200 for children's hospice

On Sunday 10th April, 202 people took part in the Team Elsie Rainbow Run in Queen's Park, Caterham, raising over £2,200 for the Shooting Star Chase Hospice for children. The event was organised by the family and friends of Elsie Poole, who was cared for at the Hospice before sadly passing away aged just 21 months in January 2013. Since Elsie's passing, her family and friends have raised over £60,000 by holding quiz nights, cake sales, face painting, bike rides, marathon runs and selling a charity calendar.

After the event, one of the organisers, Gemma Causbrook, said: "The Rainbow Run was a real family event with such a happy vibe to it and due to its success, we are hoping to make it an annual event."

For more information about Shooting Star Chase Hospice visit [www.shootingstar-chase.org.uk](http://www.shootingstar-chase.org.uk).

## LASTING POWERS OF ATTORNEY (OR LPAs) – WHY YOU SHOULD MAKE ONE

There are two different types of LPA – one for Financial Decisions and one for Health and Welfare. These are legal documents that appoint your chosen Attorneys (who can be friends or family members) to act for you and take decisions on your behalf at a time when you may find it difficult to do so yourself. Your Attorneys must act in your best interests at all times and must do everything they can to help you make your own decisions, whenever possible. LPAs will continue for your lifetime unless you revoke them. LPAs can be viewed as a kind of insurance policy so that if a time comes when you need a helping hand, a structure has already been put in place.

### An LPA for Financial Decisions

This can be used as soon as it has been registered with the Office of the Public Guardian. Your chosen 'Attorneys' can pay your bills and assist with the day to day management of your accounts and your financial affairs. You can lay down restrictions or give specific guidance on what they can or cannot do and how you wish them to act. If you were to lose mental capacity at a later date, then your Attorneys could continue to act on your behalf without any delay or difficulty.

### An LPA for Health and Welfare

Once registered, this can only be used when you lack mental capacity to make any decisions yourself. In that situation, your Attorneys will step in to make welfare and health care decisions on your behalf.

These decisions can range from day to day issues like your diet, dress, daily routine and deciding who may have contact with you to helping you stay in your own home with suitable support or choosing the right care home facility for you, if that becomes necessary.

The LPA can be extended to give your Attorneys the power to give or refuse consent to life-sustaining treatment such as serious operations or certain types of medical treatment or artificial nutrition or hydration.

## Elderly residents are thanked for their memories at Parish Council AGM

Local residents were treated to a series of fascinating accounts of Caterham's past during the Caterham-on-the-Hill Parish Council AGM on Wednesday 13th April.

Parish Council Chairman, Chris Botten, explained that the main focus of the meeting would be the Oral History Project. Led by Councillor Jeremy Webster, the Oral History Project features recordings of elderly local residents sharing their memories of living and working in Caterham.

Cllr. Botten said: "It occurred to us that to allow all this knowledge of local history to pass without recording it would be an act of vandalism! The work that Jeremy has been doing is an absolutely amazing contribution to our local history and we hope that our children and grandchildren will all think: "Was it really like that in Caterham?" when they hear these recordings."

Liz Bonsall of the Bourne Society explained the context of 18 snippets from the Project to the audience.

Liz said: "Caterham has such an interesting past with the two large institutions - Caterham Barracks and the Asylum - playing a huge role in the town's heritage. They are both gone now, but these recordings can teach us all about what life used to be like

Cllr. Chris Botten presents a certificate to John Knight, one of the contributors to the Oral History Project.

in Caterham when the Asylum and Barracks were both here. Hearing about things that happened in the past plays a huge part in helping us to understand what made Caterham the town it is today."

The snippets featured elderly residents giving accounts of well-known characters from the Asylum and the Barracks, memories of bombs falling on Caterham during the war as well as stories of happier times such as dances held in the old Tally Ho pub, now replaced by new flats.

At the end of the presentation, Councillor Botten presented certificates to some of the residents who had shared their memories of Caterham for the Project, to thank them for their contributions.

## The spice garden of India

Review by Julia Church

Kerala is a beautiful region in south west India and the port, Cochin, is the commercial capital. It is the home of chef, Jinson Paul, who grew up with traditional Keralan cuisine. He uses authentic Keralan cooking techniques and recipes in his kitchen at The Cochin so that diners can experience many of the region's exotic recipes for themselves.

When my daughter Jenny and I visited the Cochin recently, we both tried South Indian dishes that were completely different from what we normally ate when going out for a curry.

We were recommended the Boiled Egg Roast to share for a starter where the eggs are dipped in batter, then deep fried and served with a creamy, spicy sauce, served on a banana leaf. We agreed it was a dish that we would both highly recommend.

We also tried the Drumstick Soup made of lentils, shallots, ginger, garlic and curry leaves which was a lovely, light and tasty starter. Jenny also had the Lamb Coconut Fry starter which had a very generous quantity of lamb and Jenny said had lots of flavour.

For our main courses, Jenny had the Neerulli Prawn Curry made with King Prawns and cooked in a special sauce made with shallots. It is one of the chef's special dishes and went beautifully with our side dishes of Mushroom Masala and Beetroot with Coconut. I had a dish that is not on the menu - a Mixed Vegetable Curry that Jinson Paul prepared with a great selection of vegetables including green beans, carrots and potatoes. We shared a portion of Appam bread which is gluten free, made simply from rice and a small quantity of lentils. Nicole explained that the chef can adapt any dish to individual customer's tastes or dietary requirements, if they have a nut allergy for example, as every meal is freshly prepared once it has been ordered.

Jinson Paul likes to come out of the kitchen and meet the diners later on in the evening, to see what they think of the food. He may even tell them about how he taught some celebrities how to make the perfect Masala Dosa!

## Eating Out

### Don't miss the 2 for 1 Prix-Fixe deal at Chez Vous

Review by Julia Church

During April and May, Chez Vous restaurant in Limpsfield Road, Warlingham, are offering an amazing 2 for 1 deal on their Prix-Fixe menu on Tuesday-Thursday evenings only.

Normally £37.50 per head, the Prix-Fixe menu features a choice of three Starters, three Mains and three Desserts with optional vegetable side dishes for £3.95 each. As it is a set menu, I notified the restaurant in advance that I am a vegetarian and I was delighted to be invited to select a starter and main course from their separate Vegetarian Menu. Our friendly waitress brought us a basket of bread straight away while we decided what to order. The service continued to be excellent throughout the evening.

My son Andrew who accompanied me to the restaurant chose the Duck Confit and Poached Pears starter while I chose the Baked Brie with Redcurrant Jelly and Crouton Salad to start. In true fine dining style, both starters were beautifully presented. Andrew said the Duck

Confit had a lovely, rich flavour complimented beautifully by the sweet pears. My Brie was warm and creamy with a wonderful salad garnish.

For our main courses Andrew selected the Roasted rump of lamb, chick pea potato cake, butternut squash puree and tagine sauce. I chose the Red pesto and oven cooked tomato risotto from the Vegetarian Main Courses, as I have not had a tomato risotto before. I have had mushroom risotto plenty of times as it is one of my favourites so I thought a tomato risotto would make a nice change and I was not disappointed. The risotto was very flavoursome, enhanced by a garnish of sun-dried tomatoes and topped with some tender asparagus tips. Again, the presentation made it look almost too good to eat!

Andrew said his lamb was soft and tender and overall his meal was: "Really, really nice!" adding that he was going to bring his girlfriend to the restaurant soon because he enjoyed it so much.

For dessert I chose the Raspberry cheesecake and Andrew selected the "Trio de Gourmandises" (three mini desserts) - apple tart, a brownie and panacotta - small, but beautiful!

Chez Vous recently had new signage installed and launched their brand new logo and website. To see their latest menus and offers visit [www.chezvous.co.uk](http://www.chezvous.co.uk)

## Calling Heritage Volunteers!

The Kenley Revival Project which comprises the City of London, Historic England and Kenley Airfield Friends Group ('KAFG'), is holding an Information Open Day at The Arc in Weston Drive, Caterham CR3 5XY on Wednesday 11th May from 4pm until 6.30pm. Last year the Project was awarded £881,000 by the Heritage Lottery Fund to preserve the airfield, so the event is being held to inform the local community about

volunteering opportunities. There will be a visual display to guide visitors through the story of Kenley airfield and the plans to conserve and promote its heritage, with a buffet and refreshments.

The Project presents volunteering opportunities for people of all ages and abilities who would like to help conserve the airfield, from manual work restoring the airfield's blast pens to online research and even interviewing war veterans. For more information call 01372 279083 or visit [www.cityoflondon.gov.uk/kenleycommon](http://www.cityoflondon.gov.uk/kenleycommon).

## An exciting new food shop opens in Caterham-on-the-Hill

A new shop has opened in Chaldon Road, Caterham-on-the-Hill called The Orange Co which sells a range of meals for the freezer at very reasonable prices.

The food is mostly Indian, but there are also Chinese, Thai, and Italian dishes and even roast beef with roasted potatoes, peas and carrots! In addition to the numerous main courses to choose from, there are also Indian side portions available and a small selection of tasty finger foods - perfect for parties.

The shop was opened by Sarah Omer, who is supported by a team of friendly and helpful assistants. One of her team, Bette Denham, who works in the shop on Saturdays, said: "We are starting to get nice and busy and our customers keep coming back, which is a good sign!"

Look out for The Orange Co stall at the Caterham Food Festival in Croydon Road on Sunday, 12th June.

## Lively Jersey Guys night raises funds for local good causes

A night of 60s and 70s music at Oasis Academy Coulsdon proved a huge success on Tuesday 12th April.

Audience members took to the floor, reliving the best hits of the era, which were performed by the Jersey Guys and their accompanying 'Gal' dancers.

The concert was hosted by Caterham, Oxted and Godstone Lions ('COGS') and raised over £1,100.

Lion President, Lesley Day said: "Our annual concert is a big highlight of the year,

raising money for local worthy causes. The Jersey Guys, once again, put on a super show. A huge thank you to everyone who came to support the evening and enjoy the wonderful entertainment."

On Saturday 11th June COGS are holding their next fundraising event, an Evening of Magic, in Godstone. See What's On for more details.

## Diary of a Plantaholic

by Sue Baines

May is a time for taking care of the spring bulbs that are over, dead heading and feeding, so they are just as good again next year.

My lovely snakeskin fritillaries have been a joy through April. Sadly they always get a visit from the lilly beetle, which lays eggs which devour them in a slimy, disgusting way. All fritillaries are vulnerable as well as lillies, even after flowering has finished. I am always on the lookout for them, however this year I have a glut of ladybirds, so have been careful not to squidge the wrong insect. Lilly beetles, are the same colour with a longer body and no spots.

My seedlings are making lots of growth and are being moved into bigger pots. I don't prick out seedlings individually, but into small clumps which are carefully watered. They are kept shaded on sunny days, as the sun is now quite strong. Many are put

Sue Baines

into the plastic cold frames we bought last year. The lids are kept open, unless we are due prolonged wet weather, or a frost threatens. This helps to "harden them off" ready for when they get planted.

Many plants have survived this winter, even the fuschias in the hanging baskets. I will remove them, looking for any evidence of vine weevil (white grubs/no roots) and give them fresh compost and long life feed, plus a trim for even growth. As they're larger they will go into a pot this year. The fuschias should look a treat with some trailing Lobelia, or Bacopa and Begonia in apricot shades.

## St. Mary's launches programme of events to mark 150 years of worship

by Mary Clair Kelly

For at least 900 years there has been a place of worship at the top of Caterham Hill but when the Caterham Railway line opened in 1856 the town's population exploded, outgrowing the ancient church of St. Lawrence, which could seat only around 60 worshippers. So in 1866 St. Mary's Church opened its doors to accommodate up to 300 of the town's faithful, just across the road from St. Lawrence's.

If you have never been inside, the building alone is well worth a visit. This superb example of Victorian church architecture features a beautiful, arts-and-crafts style reredos (decorative altar panel) designed by famous church architect, Sir Ninian Comper. Despite the windows of one side of the church being destroyed by a Doodle-

bug in 1944, the remaining stained glass looks fresh as new in a stunning array of colour.

For the 150th Anniversary the church's current membership of 250 is extending a warm welcome to their fellow Caterhamians, as Rev. Duncan Swan explains: "We hope that people who are not familiar with St. Mary's will join with us to mark the occasion as we celebrate 150 years of service."

Highlights include a varied programme of events including special services, a comedy night, art exhibition and for later in the year even our own specially brewed beer. Father Duncan will also be holding a Gift Day on the 18th June.

"It is an old tradition for the Rector to sit in the porch to receive any donations towards

St. Mary's Church in Caterham. Photo by Jenny Bulford.

the upkeep of the building," says Rev. Swan. "We are a friendly and family-orientated church and there is always plenty going on, and although it costs around £350 a day to keep the church open, we are determined to ensure that St. Mary's remains a community asset for generations to come."

For more information about the 150th Anniversary events visit [www.facebook.com/StMarysCaterham](http://www.facebook.com/StMarysCaterham) or pick up a leaflet from Caterham-on-the-Hill Library or Caterham Valley Library.

**Nature Notes**

by Adele Brand

I am looking for BAP species, by which I don't mean different types of sandwich, but UK Biodiversity Action Plan priority wildlife – those rare animals, plants and fungi for which we have a particular responsibility.

As the debate over future housing developments in Tandridge intensifies, understanding how wild species are distributed across our green belt has never been more crucial. If we don't know where they are, it is much harder to save them.

Our star UK BAP species locally is the hazel dormouse, the impossibly cute, sleepy, very shy resident of woods and hedgerows. They have been monitored in Happy Valley for some years and although most people will never see a wild dormouse, it is always worth looking out for gnawed hazelnuts. The toothmarks left behind by dormice can be distinguished from those of wood mice, voles and squirrels

*The hazel dormouse.

with some practice. Our rarer bat species like serotines might also be easily overlooked, but what about hedgehogs, lapwings or yellowhammers? All are threatened and we need to know where they are still surviving.

If you have seen a rare species in Chaldon, please do drop me a note at [adele.brand@chaldonvillagecouncil.org.uk](mailto:adele.brand@chaldonvillagecouncil.org.uk). I would be particularly interested in any sightings of snakes, lizards or slow worms.

**Get ready for DeFest 2016!**

The first big event of the Caterham Festival, the DeFest Music Festival, is taking place on Saturday 28th and Sunday 29th May. The gates open at 12 noon and the event finishes at 7pm on both days. Entrance is £3 for adults and children on the Saturday and £6.50 for adults and £3 for children on the Sunday.

This represents excellent value as there will be a full programme of entertainment

on both days, with swing jive and the No Name Jive dancers featuring on the Sunday.

There will be plenty of side shows and fun for children, as well as a licensed bar and food stalls. There is plenty of space to pitch up and enjoy a picnic if the weather is fine.

For more information about DeFest and the other Caterham events lined up for this summer visit [www.caterhamfestival.org](http://www.caterhamfestival.org)
